Gunkanjima-no Gansho-kun

- ### The safety contract(excerpt) and cautions
- Depending on the weather and the sea conditions the landing on Hashima (Gunkanjima) Island may not be possible. With safety as the first and foremost priority, the final decision about the possibility of landing will be determined by the Captain upon getting close to the island. For more information in case of cancelled landing, please check our website.
 - For security reasons, umbrellas are not allowed on the island.
 - Do not: -leave any garbage on the island. -bother or harass other guest during the tour. - use open flames or any incendiary objects. - hang banners, conduct protests, or any other civil unrest.
 - To protect the copyright laws on intellectual property, it is forbidden to record the guide's explanations or video shown on the ship for extended periods of time.
 - Persons with disabilities need to be accompanied, please contact the Concierge office prior to booking.
 - We don't charge individual customers for cancellations made up until noon the day before departure. However, there will be a 100% charge for cancellations made after that time.

GUNKANJIMA

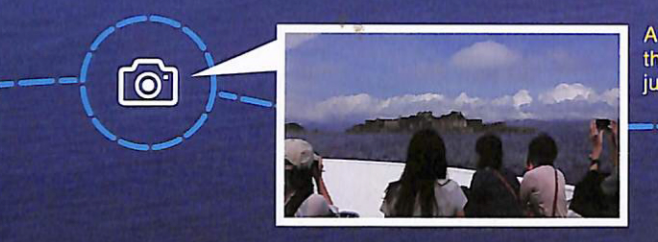

-BATTLESHIP ISLAND-

Landing and Cruising

Only our tour includes landing and the museum!

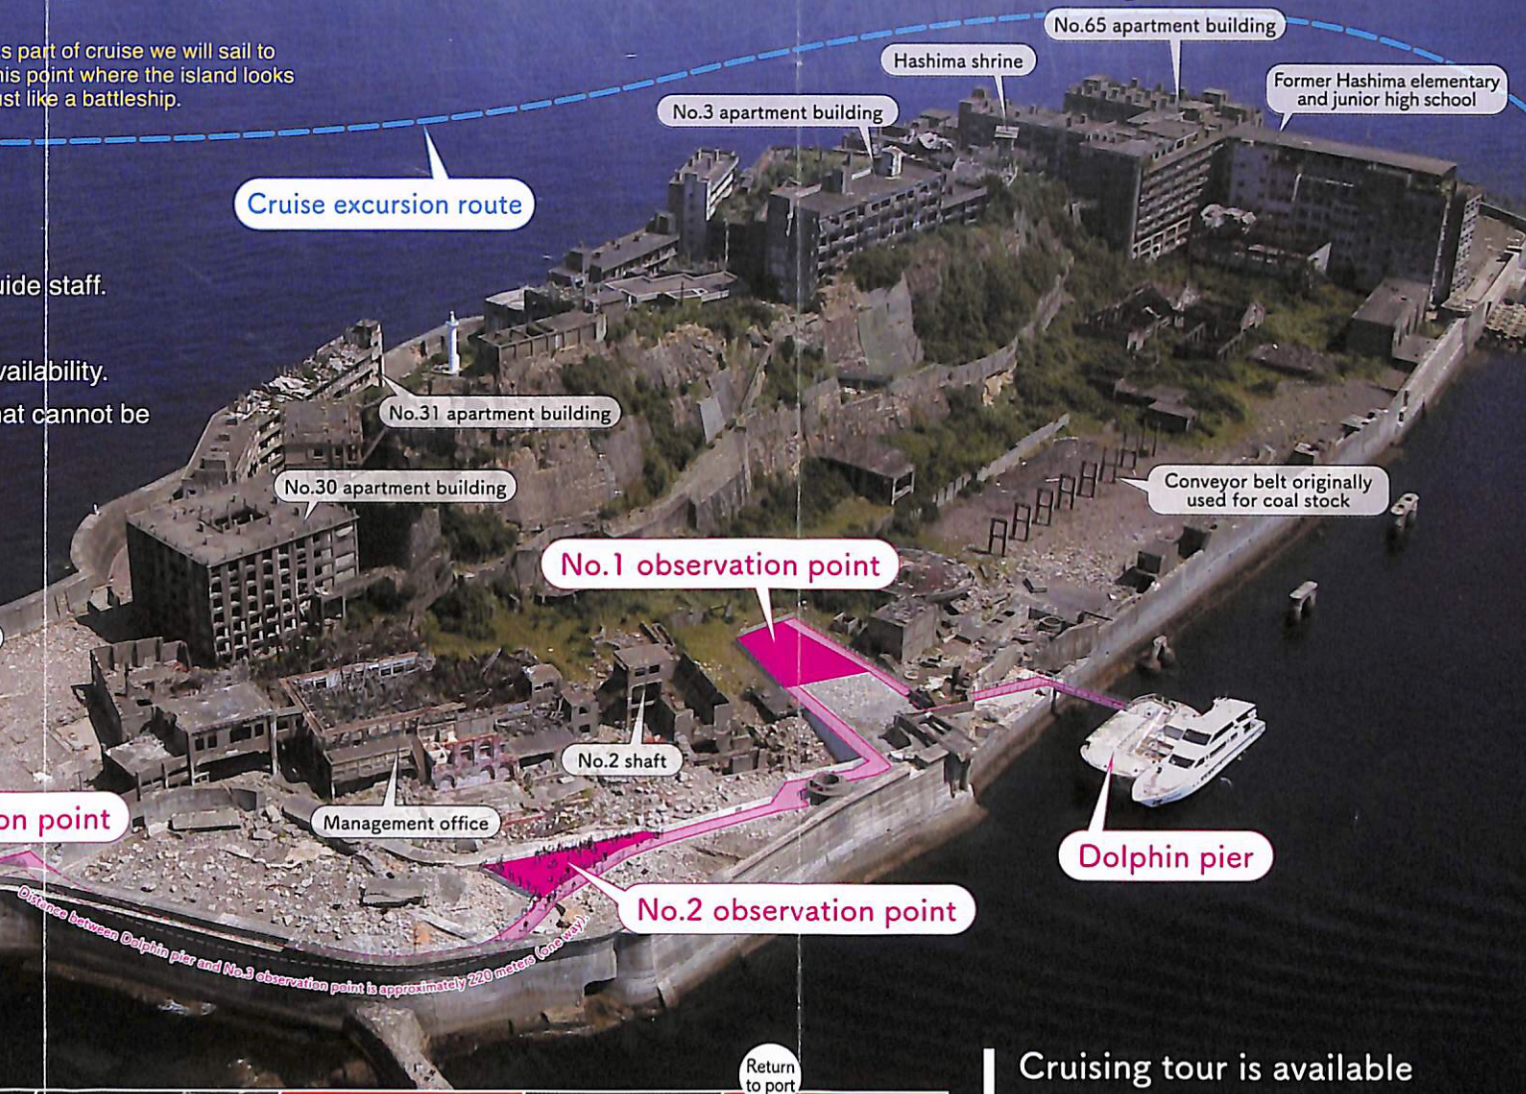

Cruise tour around the island and landing & Digital simulation museum

Concierge staff will give you an overview of Gunkanjima Island!

As part of cruise we will sail to this point where the island looks just like a battleship.

- A former Hashima resident is available as your guide staff.
 - We sail and land more than 90% of the time.
 - Complimentary English audio guide. Subject to availability.
 - From the cruising route, you can view buildings that cannot be seen on the landing tour.
 - We take you to the photo shooting point where you can see the island just like a battleship.
- Depending on the sea conditions, the tour may be cancelled.
